

Bronzing Pearls

GIVE YOUR SKIN AN INSTANT SUN-KISSED GLOW

Our multi-coloured powder pearls are made from a unique combination of warm and illuminating shades that bring colour and an endless radiance to your complexion. Perfect match for every skin tone.

BENEFITS

oxiguard™ - features antioxidants to protect from free-radical damage and promote healthy-looking skin.

appliglide™ - this is what makes Nu Colour cosmetics easy to apply. Specially designed powders provide superior textures and blendability, enabling the products to glide across your skin. A superior alternative to talc.

USAGE

Glide a large powder brush or a sponge over the bronzing pearls and apply all over face and neck or just on cheeks for highlighting.
