ALL YOU NEED TO KNOW

Perennial

BENEFITS

- Enhances the skin cell's natural defense mechanisms against external stressors such as dry air, extreme temperatures, and wind.
- Formulated to be fragrance-free and suitable for all skin types.
- Helps protect and promote healthy looking skin. Moisturises and helps to prevent moisture loss.

KEY FEATURES

Narcissus Tazetta Bulb Extract – the Narcissus Tazetta plant protects its bulb's cell structure during harsh conditions, allowing it to blossom year after year. The bulb extract from this plant has been scientifically shown to protect the skin, improve resiliency, and increase cellular durability, allowing the skin to improve its natural defense mechanisms

USAGE

Smooth liberally on entire body. Gentle for all skin types.
