USAGE

Dip the Nu Colour Powder Brush or puff in powder, and tap brush or puff on side of container to remove excess powder. Dust face moving across the forehead and down the cheeks. Avoid pulling, wiping, or tugging the powder across the face. To give the appearance of longer, thicker lashes, dust lightly with powder prior to applying mascara. For lip color that lasts longer, powder lips before applying lip liner and lipstick. After applying eye shadow and blush, powder lightly for blending purposes and to set the makeup.
