

NUTRICENTIALS® BRIGHTER DAY

Exfoliant Scrub

Size: 100 ml

We all want radiant looking skin no matter what. But sometimes wanting it isn't enough. Every day, our skin faces the negative impact of pollution, UV rays, or even lack of sleep, which can leave it looking dull and tired. That's why we created Nutricentials. Through innovative science, we took the power and resilience of bioadaptive plant extracts that thrive in the harshest of conditions and brought them into your urban world, unleashing the untamed forces of nature in every formula of this modern skincare range.

Nutricentials Bioadaptive Skincare. Make every day a great skin day.

MEET BRIGHTER DAY

Does anything brighten your day like beautiful skin? We don't think so. That's why Nutricentials Brighter Day is so aptly named. This innovative exfoliant scrub removes dead skin cells and pore-blocking impurities to leave your complexion looking smooth and glowing bright. Unlike other exfoliants, our double-feature formula uses pomegranate enzymes to help loosen dead skin cells while natural exfoliating minerals remove them from your skin. Combining both enzymatic and physical exfoliation clears out dead skin cells more effectively than either would alone. It is formulated with a blend of skin-conditioning agents such as ethylhexyl palmitate and ethylhexyl stearate that refreshes and soothes your skin for added post-scrub comfort. With a fresh scent and natural purple colour to delight your senses, Brighter Day is gentle-cleansing bliss.

WHY YOU'LL LOVE IT

- o Made with bioadaptive botanicals.
- o Helps remove pore-blocking elements, leaving you with a smooth, glowing complexion.
- o Refreshes, softens, smooths, and leaves skin looking brighter.
- o Pomegranate enzymes help break down the "glue" that holds dead skin cells in place.
- o Gently and evenly exfoliates the skin's surface.
- o Helps protect your skin and limit the impact of pollution and oxidative stress by sloughing off dead skin cells, thereby reducing the amount of polluting particles on the skin.
- o Features a tube that is proudly made with 35% post-consumer recycled plastic.

WHAT POWERS IT

- o **Natural exfoliating minerals** (hydrated silica) – extra-fine, extra-gentle, 100% naturally sourced mineral particles that gently and evenly exfoliate to reveal softer, smoother skin.
- o **Pomegranate enzymes** (lactobacillus/punica granatum fruit ferment extract) – naturally sourced, gentle yet effective enzymes that help break down the “glue” of dead skin cells and exfoliate for smoother skin.
- o **A blend of skin conditioning agents** such as ethylhexyl palmitate and ethylhexyl stearate leaves skin looking refreshed, smooth and bright.

HOW TO USE IT

Moisten skin with warm water. Apply in a gentle circular motion to face and neck for 30 seconds. Rinse with warm water and towel dry. Use twice a week as needed.

A DAY IN THE NUTRICENTIALS LIFE

To kick off your optimal morning skincare regimen, begin with Day Away Micellar Beauty Water as the first step of a double cleansing routine. Follow with one of our two cleansers, HydraClean or To Be Clear. Next, use one of our toners to hydrate and prepare your skin for any additional skincare (In Balance or Here You Glow). One step you don't want to miss is the application of our serum, Celltrex Always Right.

Finally, apply the moisturiser that best fits your needs: Do you like it creamy or lightweight? With SPF and blue light protection, or without? Whatever you prefer, Nutricentials has something that works for you.

Already addicted to your Nu Skin products, like the ageLOC LumiSpa System? Don't be afraid to mix and match and create your optimal skincare routine with any combination of our many choices. After using the ageLOC LumiSpa System, you can continue with a Nutricentials toner.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties.

How does Nutricentials Brighter Day exfoliate the skin?

Nutricentials Brighter Day physically exfoliates skin with 100% natural exfoliating minerals (hydrated silica), and enzymatically exfoliates skin with pomegranate enzymes (lactobacillus/punica granatum fruit ferment extract).

Is Nutricentials Brighter Day suitable for all skin types?

Yes, Nutricentials Brighter Day is suitable for all skin types.

How were the ingredients chosen?

Nutricentials is inspired by nature. The magic of plant extracts, like our bioadaptive botanicals, is a crucial part of this product range. Our science is there to support these ingredients. Whether it comes from the earth or from the lab, every ingredient is there for a reason. We design every Nu Skin product to meet not just our own high standards, but also the demands of those who use them.

How does Nutricentials support Nu Skin's commitment to becoming more sustainable?

Nutricentials bottles are made from 100% post-consumer recycled plastic, while the tubes are made with 34–35% post-consumer recycled plastic. Please check how to best recycle the bottles and jars in your area where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Visit www.nuskin.com/sustainability for more information and details on how to recycle.

INGREDIENTS

Aqua, Aloe Barbadensis Leaf Juice, Palmitic Acid, Glyceryl Stearate, Stearic Acid, Hydrated Silica, Cetyl Alcohol, Ethylhexyl Stearate, Ethylhexyl Palmitate, Lactobacillus/Punica Granatum Fruit Ferment Extract, Melia Azadirachta Flower Extract, Coccinia Indica Fruit Extract, Inonotus Obliquus Extract, Rhaponticum Carthamoides Root Extract, Allantoin, Tocopheryl Acetate, Caprylyl Glycol, Myristyl Alcohol, Stearyl

Alcohol, Lauryl Alcohol, Selaginella Lepidophylla Extract, Rhodiola Rosea Extract, Glycerin, Carbomer, Eleutherococcus Senticosus Root Extract, Sodium Phytate, Citric Acid, Aminomethyl Propanol, Parfum, Leuconostoc/Radish Root Ferment Filtrate, Phenoxyethanol, Chlorphenesin, Potassium Sorbate, Sodium Benzoate, Hexyl Cinnamal, Citronellol, Citral, Amylcinnamyl Alcohol, Hydroxycitronellal.
