NUTRICENTIALS® SPA DAY
Creamy Hydrating Masque

Size: 100 ml

We all want radiant looking skin no matter what. But sometimes wanting it isn’t enough. Every day, our skin faces the negative impact of pollution, UV rays, or even lack of sleep, which can leave it looking dull and tired. That’s why we created Nutricentials. Through innovative science, we took the power and resilience of bioadaptive plant extracts that thrive in the harshest of conditions and brought them into your urban world, unleashing the untamed forces of nature in every formula of this modern skincare range.

Nutricentials Bioadaptive Skin Care. Make every day a great skin day.

MEET SPA DAY

If any nourishing facial mask could be called a spa-day-in-a-tube, it’s this one. Spa Day contains our Bioadaptive Botanical Complex, as well as saccharide isomerate – a humectant derived from plants that helps keep your skin looking dewy and radiant. Its hydrating formula helps to lock moisture into the skin, reducing dryness and leaving you with a healthy glow. Whenever your skin needs a little extra moisturising “me time”, you know just where to turn.

WHY YOU’LL LOVE IT

- Made with bioadaptive botanicals.
- Moisturises skin and helps it look dewy and radiant.
- Reduces dryness and helps lock moisture into the skin like a magnet to give it a healthy, hydrated glow.
- Leaves skin feeling soft, hydrated, and refreshed.

- Features a tube proudly made with 35% post-consumer recycled plastic.

WHAT POWERS IT

- Saccharide isomerate – a plant-derived humectant that reduces dryness for a healthy glow.
- A blend of emollients (Isocetyl stearate, decyl oleate & cetearyl ethylhexanoate) – gives the skin a soft and smooth appearance and helps lock in moisture like a magnet to give skin a healthy, hydrated glow.

HOW TO USE IT

Wash with the Nu Skin® cleanser of your choice and towel dry. Apply liberally to face and neck area after cleansing. After 10 minutes, rinse with warm water or tissue-off. Follow with the Nu Skin® toner and moisturiser of your choice. Use 2 times per week.
