

NUTRICENTIALS® TO BE CLEAR

Pure Cleansing Gel

Size: 150 ml

We all want radiant looking skin no matter what. But sometimes wanting it isn't enough. Every day, our skin faces the negative impact of pollution, UV rays, or even lack of sleep, which can leave it looking dull and tired. That's why we created Nutricentials. Through innovative science, we took the power and resilience of bioadaptive plant extracts that thrive in the harshest of conditions and brought them into your urban world, unleashing the untamed forces of nature in every formula of this modern skincare range.

Nutricentials Bioadaptive Skin Care. Make every day a great skin day.

MEET TO BE CLEAR

Remove pore-blocking dirt and leave your skin feeling refreshingly clean with Nutricentials To Be Clear. This powerful gel-to-foam formula cleanses away dirt, oil, and makeup while keeping your skin hydrated. The secret is the amino acid cleansing agents that clean pores and the moisturising ingredients that refreshes and soothes skin. If you're looking for clean and comfortable skin, To Be Clear is the clear solution.

WHY YOU'LL LOVE IT

- o Made with bioadaptive botanicals
- o Features a gel-to-foam formula that removes pore-blocking dirt, oil, impurities, and makeup for cleaner skin while keeping your skin hydrated.
- o Leaves skin looking and feeling soft, smooth, refreshed, and ready for the next step in your regimen.

- o Soothes and conditions while providing moisture to the skin.
- o Features a bottle that is proudly made from 100% post-consumer recycled plastic.

WHAT POWERS IT

- o **Amino acid cleansing agents** (Sodium cocoyl glycinate & sodium cocoyl alaninate) – help form a gentle foam to clean pores and remove excess oil while keeping your skin hydrated.
- o **Skin moisturising ingredients** such as **glycerin** and **lauryl lactate** – help soothe, condition, and provide moisture to the skin.

HOW TO USE IT

Use morning and night. Gently lather over moistened face and neck. Rinse thoroughly.

A DAY IN THE NUTRICENTIALS LIFE

To kick off your optimal morning skincare regimen, begin with Day Away Micellar Beauty Water as the first step of a double cleansing routine. Follow with one of our two cleansers, HydraClean or To Be Clear. Next, use one of our toners to hydrate and prepare your skin for any additional skincare (In Balance or Here You Glow). One step you don't want to miss is the application of our serum, Celltrex Always Right.

Finally, apply the moisturiser that best fits your needs: Do you like it creamy or lightweight? With SPF and blue light protection, or without? Whatever you prefer, Nutricentials has something that works for you.

Already addicted to your Nu Skin products, like the ageLOC LumiSpa System? Don't be afraid to mix and match and create your optimal skincare routine with any combination of our many choices. After using the ageLOC LumiSpa System, you can continue with a Nutricentials toner.

LEARN MORE ABOUT IT

What are bioadaptive botanicals?

Bioadaptive botanicals are plants that thrive in extreme climates thanks to their adaptive properties.

How is Nutricentials To Be Clear different from other facial cleansers?

Other cleansers can rid skin of too much oil, which can lead to overdrying. Nutricentials To Be Clear features amino acid-based cleansers that form a gentle foam to clean pores and remove excess oil. At the same time, moisturising ingredients help your skin stay comfortably hydrated.

Is To Be Clear suitable for all?

Yes, To Be Clear is suitable for all skin types. It's a perfect option for those who are looking for an effective facial cleanser to add to their skincare routine,

particularly for those who prefer products with a gel-like texture.

How often should I use Nutricentials To Be Clear?

We recommend using Nutricentials To be Clear in the morning and evening to keep your skin clear of pore-blocking debris.

How were the ingredients chosen?

Nutricentials is inspired by nature. The magic of plant extracts, like our bioadaptive botanicals, is a crucial part of this product range. Our science is there to support these ingredients. Whether it comes from the earth or from the lab, every ingredient is there for a reason. We design every Nu Skin product to meet not just our own high standards, but also the demands of those who use them.

How does Nutricentials support Nu Skin's commitment to becoming more sustainable?

Nutricentials bottles are made from 100% post-consumer recycled plastic, while the tubes are made with 34–35% post-consumer recycled plastic. Please check how to best recycle the bottles and jars in your area where possible. By purchasing Nutricentials, you're joining us in taking an active, engaged stride to ensure the future is bright for both the planet and each of us. Visit www.nuskin.com/sustainability for more information and details on how to recycle.
